The road from Burgos- Vitoria

The important thing is to stay on the N1 road, in the direction of Pamplona/San Sebastian, until you reach Alsasua.

– When you're near ALSASUA (Altsasu), There, you have to take a right to the A10 in the direction of Pamplona. (some maps still indicate N240)

– Some five minutes later: take the exit ARBIZU (after the Etxarri-Aranatz/Estella exit).

Then, to your right, you take the NA7100.

At first, some straight strips of road...

Then, the road starts to bend, and you have to get over the mountain:

You'll come to a T-junction, take a left in the direction of ESTELLA via the N120.

At the top, there's a small tunnel (ca. 3400 feet/1035m).

From this point on, you have to follow the same, descending road for six miles/10 kilometers.

Then, take the left to LEZAUN via NA7730.

Drive straight through Lezaun and follow the very curvy, ever descending main road.

After some 3 miles/5 km, you'll come to a junction with a STOP sign. Take the left in the direction of PAMPLONA.

You'll see an arrow to your left: RIEZU 600 m./ITURGOYEN 4 km.

The street will narrow while you enter the village, and you'll see a small square on your right side. The house with the wall and cast iron fence is:
